

# Voices Publications

## Voices Publications

The following Voices products were developed by the Voices authors and published by Zaner-Bloser. There are additional pages that explain how these products address the Common Core State Standards and the history of research and efficacy studies related to these products. Currently, all of these products are out of print.

### Voices Literature and Writing

*Voices Literature and Writing* (K–6) uses thematically organized read alouds to provide reading and writing instruction that integrates the learning of social skills and values.

### Voices Leveled Library

*Voices Leveled Library* uses theme-related leveled books to provide whole and small group reading instruction.

### Voices 3C eLessons

*Voices 3c eLessons* (K-6) provides digital curriculum, assessments, and online access to all titles in the *Voices Leveled Library* that enables teachers to customize their lesson plans.

## **Voices Literature and Character Education**

*Voices Literature and Character Education* (K–12) provides individual teacher guides to multicultural literature that integrate the teaching of social skills and values into reading and writing instruction.

## **Voices Reading**

*Voices Reading* (K–6) provides comprehensive reading instruction that integrates the teaching of social skills and values.

## **Voices Pre-K**

*Voices Pre-K* provides an early literacy curriculum that develops reading and writing readiness in children 3-5 years old that integrates the teaching of social skills and values.
